

Memorandum of Understanding
Between
All China Lawyers Association
And
Consiglio Nazionale Forense
on Strengthening Legal Exchange and Friendly Cooperation

All China Lawyers Association and Consiglio Nazionale Forense, legally based on mutual recognition, hope to strengthen cooperation to promote friendship and exchanges between lawyers of the two countries, promote the development of the rule of law and legal research for the world, and recognize the growing trade and other relations between the two countries and their peoples and the important role of law in these relations.

In view of this, the two associations agree to improve the dignity of law and justice, develop and maintain the basis for friendship and cooperation, and strive to reaching the above consensus for strengthening the friendly and cooperative relationship between the two associations through the exchange of legal publications, data and information, as well as exchange visits of high-level representatives, staffs and lawyers.
